

FAASTeam presents:

# Stepping Up to Light Sport

## Event Details

**Thu, Aug 16, 2012 - 7:00 pm**  
**Wellsboro Johnston Airport**

112 Runway Road  
Wellsboro, PA 16901

**Contact: H PAUL SHUCH**  
**(570) 494-2299**  
[fly@avsport.org](mailto:fly@avsport.org)

Select #: EA1345681  
Lead Representative H PAUL SHUCH

"I've been flying for decades, and have thousands of hours logged in all kinds of high-performance aircraft. Flying those little Light Sport airplanes will be a piece of cake." If you believe that, you haven't been reading the accident statistics! Come to this Wings seminar to learn why transitioning to LSA is just as challenging as moving from simple to complex, and what you can do to keep yourself safe when flying slow, lightly loaded wings.

**Directions:** Take Rt 362/660 west out of Wellsboro toward the Pennsylvania Grand Canyon. Remain west or straight on Rt. 362 from the intersection of Rt. 362/660 for approx. 2 miles. The airport is located on the left. (You can't see the airport from Rt. 32 but there are signs)

### **A message from the National FAASafety Team Manager**

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?
